Rate Food & Earn Daily Food Earnings

Glovo provides a simple and smart way to earn money by engaging with food rating activities on the platform. Users can earn daily income by giving five-star ratings to food items and participating in the Glovo ecosystem.

About Glovo

Glovo is an innovative digital platform designed to create simple and accessible earning opportunities for people through online engagement activities. Our platform allows users to participate in digital tasks such as rating food items, building teams through referrals, and engaging with platform activities to generate additional income.

Glovo aims to build a strong digital ecosystem where technology, community, and opportunity work together to help people grow and earn in the modern digital economy.

Our Mission

Our mission is to provide a simple, transparent, and accessible earning platform for everyone.

We believe that every individual should have the opportunity to participate in the digital economy and generate extra income using just a smartphone.

Glovo is committed to creating a global community where users can grow together, support each other, and benefit from innovative digital earning opportunities.

Our Vision

Our vision is to become a trusted global digital platform that empowers people through technology and smart earning opportunities. We aim to build a strong ecosystem where:

- ✓ Digital participation creates new income opportunities
- ✓ Community growth leads to collective success
- ✓ Technology makes earning simple, accessible, and scalable

Glovo strives to connect millions of users worldwide and help them achieve financial growth through a powerful and reliable digital network.

Why Choose Glovo

Glovo is designed to provide a simple, flexible, and rewarding digital earning experience for everyone. Here are the key reasons why thousands of users choose Glovo.

Simple and Easy to Use

Glovo offers a user-friendly platform where anyone can start quickly. The process is simple and can be managed easily through a mobile phone.

Daily Earning Opportunities

Users can participate in platform activities and earn daily income through simple engagement tasks.

Referral Income

Glovo allows users to grow their network by inviting friends and earning additional rewards through referrals.

Multiple Income Streams

Users can benefit from different earning options including daily tasks, referral rewards, level income, and business volume rewards.

Flexible Participation

There are both free and premium participation options, allowing users to choose according to their preference and goals.

Community Growth Model

Glovo focuses on building a strong community where members can grow together and support each other.

Digital and Scalable Platform

Our technology-driven platform is designed to support a growing network of users and provide scalable earning opportunities.

30 Days Compounding bonus

If you compound your amount continuously for 30 days without making any withdrawals, then after completing those 30 days, you will receive a bonus equal to 20% of the total amount in your compound wallet.

Example Calculation (₹5,000 Package):

After completing 30 days, you will receive a 20% reward on your total compound wallet:

- 20% of ₹13,242.95 = ₹2,648.59
- Final Reward Earned: ₹15,891.54

Quick Action Team Food Bonus

Glovo rewards users for building an active and fast-growing team. If 5 of your direct referrals purchase a Premium Package within 3 days of joining, you will receive a ₹500 Quick Action Team Reward. This bonus encourages quick team activation and faster network growth.

**₹500
Bonus**

Conditions

- 5 direct referrals must activate a Premium Package within 3 days of registration
- All 5 referrals must purchase Package 3 – ₹1000 (~10.20 USDT)
- The condition must be completed within the given time frame to qualify for the reward
